When Do Heroes Get Rewarded?

When buying or selling a home our Heroes receive their Reward immediately, unlike at other national programs that mail checks weeks later. We want your Reward in your hands at Closing.

ASK US about our network partners that can help you save money when getting a loan, refinancing, or contractors that provide discounts to our HEROES. Each office is independently owned & operated. If you are currently listed with another brokerage firm please disregard this advertisement.

What Is PROTECTING HEROES?

Protecting Heroes is a program created by owner John Gscheidmeier. As a former police officer, fire fighter & teacher, John has always had a strong appreciation for those in the public service sector. John wanted to find a unique way to say 'thanks' to Heroes and help people when a Hero buys or sells a home. In addition, we've assembled a large group of network partners who also provide discounts to Heroes on home-related services.

How Do You Save Money or Receive Reward?

When HEROES work with our real estate specialists or local businesses they receive HERO Rewards.
